

Daniela Aslan, Credit Suisse:

Hi. Good morning and congratulations on your results. I have a question about the claw-back option. I was wondering if you could tell us when you are planning on exercising this option.

Arthur Farne d'Amoed Neto:

As a matter of fact, we have already sent a notice to the trustee and we have posted a notice in the Singapore Stock Exchange, where the notes are listed.

Our intention is to exercise the claw-back and to pay that on November 28th.

Daniela Aslan:

Thank you very much.

Operator:

At this time, I am showing no further questions in the queue. I would like to turn the call back over to management for any concluding remarks they may have.

Kevin Martins da Silva:

Well, if there are no further questions, I would like to thank those who have attended and thank also my colleges for being available.

Operator:

I would like to go ahead and close today's call. Ladies and gentlemen, this thus concludes SulAméricas' 3Q earnings conference call. You may now disconnect and we thank you for using ACT conferencing.
